2 Your Feedback.....	2

## 1. The E-Mail Aggregator

This widget lets you syndicate the most recent posts from the feingold08 mailing list onto your site with one line of html. The posts are presented at list items, which you can format to your tastes using CSS.

E-Mail List Aggregator

For more information, [see this example](#).

[Surf the repository](#) for more goodies.

## 2. Your Feedback

Here are some of the places that you can share your ideas about this and other RussForge
